Dear John,

Sorry you've not heard from Dr. Wrone. I guess it is because besides holding down his job and getting the archive started he has brought out a book on one of my FOIA cases and is preparing a biblio. for a major publisher of bibliographies - and that is much work.

However, I'm sendinghim your letter and I'm sure that when he has some free time he'll write you.

His address is History Dept. Univ. Wisc. Stevens Point, Stevens Point, Wisc. 54481.

I've had no interest in Grisman but you'll have better luck if you spell his name correctly and switch from the City of Washington to the State, which is where he was.

A name check with an extra "h" would turn up no records anywhere, if they had any to begin with.

I'd never heard of him until Garrison started making statements about him, none to the best of my knowledge supported and relevant.

Best wishes,
